

October 1, 2024

To Whom It May Concern,

The attached letter “**4790635108 - Evaluation of Hold Down Kit (Model: X-IQ-NA-HD-125A-2) for use in Listed IQ Combiner (model: X-IQ-AM1-240, f/b 3, 4, or 5, maybe f/b C, maybe f/b ES) – E341166 – QHIO**” describes notice of authorization of UL mark for the IQ Combiner 5 (X-IQ-AM1-240-5-HDK) and the IQ Combiner 5C(X-IQ-AM1-240-5C-HDK). These are newer models of the IQ Combiner 5/5C with factory-installed hold-down kits. These have also been added to the same UL file as the earlier combiners.

The new IQ Combiner 5 and 5C models that integrate hold-down kits are form, fit, and function compatible with existing models. Therefore, they can be used in place of any IQ Combiner 5/5C while maintaining the same functionality and safety.

Sincerely,

A handwritten signature in black ink that reads 'Utsav Ghosh' with a stylized flourish at the end.

## NOTICE OF COMPLETION AND AUTHORIZATION TO APPLY THE UL MARK

Mahesh Kumar  
ENPHASE ENERGY INC  
1420 N McDowell Blvd  
Petaluma, CA, 94954-6515, USA

Project Scope: 4790635108 - Evaluation of Hold Down Kit (Model: X-IQ-NA-HD-125A-2) for use in Listed IQ Combiner (model: X-IQ-AM1-240, f/b 3, 4, or 5, maybe f/b C, maybe f/b ES) – E341166 – QIIO

Dear Mr. Kumar:

UL has completed the investigation under the above project and confirmed compliance of your product(s) with UL requirements. We appreciate that you have a choice of certification providers and thank you for choosing UL.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at the factory location(s) identified on the Authorization Page of UL File E341166, Volume 1.6.

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL within 10 business days. Any information and documentation provided to you involving the UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Products that bear the UL Mark must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s). Additional requirements related to the responsibilities of the Applicant and Manufacturer can be found under **Additional Resources** at <https://www.ul.com/fus>.

A UL certification is a valuable marketing tool meaning your product or company has successfully met stringent requirements. We encourage you to use your UL Mark and certification in your marketing activities. You can find information on how to accurately promote your UL certification at <https://www.ul.com/marketing>.

If you have any questions, please contact me or any of our customer service representatives. And, congratulations again on your achievement!

Sincerely,

Gary Jefferson  
Associate Project Engineer
